Report on 20th October meeting

Graeme Prest of the FC and Tony Hill of the LDNPA discussed problems associated with recent mountain bike events. It was recognised that motor rallies were much better organised and that lessons learnt from these will be transferred to cycling events. The Highway Steward will be carrying out road and sign repairs in the parish in the week commencing 3rd November, so please notify Arthur Threlkeld about any highway problems.

Report on 29th October meeting

A planning application for a double garage and store at Well Cottage was supported providing a condition is imposed preventing its use as a car repair workshop. The decision on an application from 'Go Ape' for a change of route involving two zip wires across the highway has been deferred until after a site visit to look at safety issues. The cost to the council of last May's elections is £569, 26% of the precept, and this amount cannot be reduced or deferred. In consequence, the precept next year will rise by £220 (10%) with the remainder of the cost taken from the Council's small reserve.
