---

N.B. Minutes remain in DRAFT until ratified and signed at the next Council meeting.

**Reference: M196 Minutes of the Meeting of Satterthwaite Parish Council held at Satterthwaite Parish Rooms, at 7pm on 8<sup>th</sup> July 2024**

**Present:** Grant Nickson (Chair), Gary Thomason (Vice Chair), Mhari Elkington Crabtree, Helen Bright, Emma Nield and the Clerk Dawn Yoxall, Councillor Suzanne Pender.

## **123.1. Apologies for Absence:**

123.1.i.

## **123.2. Representations from members of the Public:**

Councillor Suzanne Pender has attended the meeting as a number of councils and organisations have submitted a vote of no confidence in Lake District National Park Authority it has been suggested that there should be a meeting of all of the Parish Councils in this Ward have a meeting to discuss this and invite Tim Farron along. Suzanne is going to set this up.

Road closures were also discussed. A closure is booked for 5 days regardless of whether the work will take that long as, Highways get fined if the work takes longer than the closure they have put in place. The length of the closures, signage and information on signage is not enough to inform people of what is going on. The last closure was to put fibre under the road. People are told to use One Network to find out information, but this does not work. Contact needs to be made with Angela Jones the Executive Director of Highways and Transport in Westmorland.

**123.8. Village Matters:**

123.8.a Planning permission for the proposed car park has been rejected due to a number of issues. Some residents have objected, also the car park doesn't fit with the sustainable transport policy. As we do not have public transport coming into Satterthwaite this should not be a consideration as people do need to drive. Grant will contact the Duty Planner and we will be contacting the Head of Planning to discuss the planning application.

123.8.b. Gary Thomason is going to contact the Highways as our 20mph limit application was pushed back until next year due to it not being in a priority area. We feel that we are in a priority area due to the amount of traffic coming through the village.

123.8.c. The new telecommunications mast in the valley is running on a generator, this has been mentioned as this is not environmentally friendly and not in line with the Government's policy.

123.8.d. The village litter pick will be on Saturday 21<sup>st</sup> September at 3.30pm. Please meet at the Parish Rooms.

123.8.e. The Joint BBQ with the Parish Room Committee will be held on Saturday 21<sup>st</sup> September at 9.00pm. If the weather is poor we will be meeting at the Parish Rooms.
