123.9.b Highways

There is a blanket closure in place with the valley for road closures for a number of weeks. Days of each closure will not be specified. This is going to cause a lot of problems as there is also a closure similar on the Hawkshead side of the valley and there is a danger of both roads being closed at the same time.

They are planning to continue with further resurfacing in the near future.

To report any road problems directly to Cumbria County Council use the information below.
