123.8. Village Matters:

123.8.a.

Gary Thomason has submitted the application for the 20mph speed limit through Satterthwaite with the supporting documents from the speed survey.

The plan for creating a car park on the land beside the Church in Satterthwaite has been raised by some residents, so we will be progressing with the plans. ENWL have sent a quote for £33,000 to move the pole. As we have no wayleave or access arrangement we can ask them to remove the pole from the land. This will need to be done before planning applications are submitted.

The Eagles Head has been registered as a designated warm spot, where people can go and sit in the warm, buy a cup of coffee and have a chat with others doing the same thing. There is a grant that we can apply for to help with this to start with for £1000. There is a larger grant also available but this will need to be discussed with Gary Rigby the owner of the Eagles Head.

Track down Nursery Lane is on hold until we can speak to United Utilities.

UU are going to attend the next meeting to do a talk on the latest information on issues in the area.

Jackie Briggs has offered to buy a bench to put in the area which will be the new car park, this would be able to be sited further up the bank away from the parking spaces.
