123.8. Village Matters:

123.8.a.

We are waiting for the speed monitoring camera we are going to hire from Pandora to come back in from hire so that we can put it up in the village to help assess current speeds through the village.

Alison Leyshon from Forestry England has said she will attend our next meeting.

Dawn to ask Jon Beardsley for an update on the camera, and to attend a Parish Council meeting to share information with the Parish Council, also to provide an update as to where the camera is currently.

Helen to contact Zurich playground inspector to find out if he knows where the play equipment has come from with regards getting some repairs carried out.

The cherry tree that has been causing health and safety concerns on the village green has now been removed. A few people have asked if the Parish Council are going to plant something in its place. Unfortunately, the land does not belong to the Parish Council so we will not be replacing the tree.

We have received a cheque for £100 from Councillor Ian Wharton from his discretionary budget for Parish Councils in the area this will help fund some signage for Nursery Lane.

We do have a vacancy for a Parish Councillor if anyone is interested in joining us please contact clerk.satterthwaitepc@gmail.com
