FOOD WASTE COMPOSTER

Tania Crockett is working on a Composting project for Grizedale, primarily for the cafe food waste. The thinking is, that it might be possible for the local community to use the composter. It will be a sealed- in vessel, that takes all types of food waste - uncooked / cooked including meat. It may be located within the walled garden area, so that it is visible and raises its profile to the general public. It won't smell! The output – excellent for gardens – would be available to the community, especially to any contributors. if you would be interested to find out more, Tania would be very pleased to hear from you on: 01229 862023 or Tania.crockett@forestry.gsi.gov.uk.

HAPPENINGS IN THE FOREST

Throughout half term week there are forest-based activities organised at Grizedale, designed to inspire curiosity about our forest life- the Tremendous Tree Trail and See the Wood for the Trees. Quiz sheets and details all available at the Forest Shop, open 10 – 5 daily. Telephone: 01229 860010.

Saturday 20th June: Den Building for Dads. Build simple shelters and learn survival tips in the Forest. Booking essential, contact as above.

DON'T WORRY, HELP IS AT HAND!

Do you need a child sitter or dog walker during the summer holidays? If so contact Lucie Galloway on 01229 860327.

LOVE IS IN THE AIR!

It's a romantic time at the Forestry Commission. Nigel Foster and Carol are getting married on Monday 31st May at the Netherwood Hotel, and Katie Jarvis and Dave Shuttleworth tie the knot at St Peter's, Sawrey on Friday 4th June. Congratulations and best wishes to both couples.

"Escape to Summer Time" a concert given by Hawkshead Wind Band on 14th May in Satterthwaite Parish Room, raised £165 for Parish Room funds. Refreshments were served and a raffle was held. Grateful thanks to all who worked so hard, and gave so freely.
