### SATTERTHWAITE PARISH ROOM

For some years the grass surrounding Satterthwaite  
Parish Room and the verge outside have been cut by  
Colin Lewis and just lately by Phil Southward. Colin is  
unable to continue to do this, and the Parish Room  
Committee wonders if anyone could volunteer to take  
on this task next year. The job takes about 1.5 hours  
and expenses would be paid.

Please contact the secretary, Hilary Collins on 860312

### RAINFALL

September missed being the wettest month of the year  
by .1 of an inch. The totals for the month are Ulverston

rainfall to 18th of the month is 6.39" in Dale Park.

and a small committee who will offer help and support.

## COLTON PARISH COUNCIL NEWS

E: [coltonpc@btinternet.com](mailto:coltonpc@btinternet.com) W:

[www.coltonparishcouncil.org.uk](http://www.coltonparishcouncil.org.uk)

Lengthsman: September saw Archie at Penny bridge Junction, Tottlebank, Colton and Oxen Park. Drains were cleared at Oxen Park and Penny Bridge. Two benches were varnished, and the verges cut back at Colton and Tottlebank verges and trees were cut back. As the winter approaches if you are aware of any drains that are blocked please do let us know so that Archie can clear them ready for any heavy rain and dare we say it snow.

Litter: The parish council wants to help keep the area litter free and looking beautiful for us all to enjoy. We are aware that there are problems in certain areas and we need your help. We would like to find out who's interested in any of the following;

- An 'adopt a road' scheme where residents look after small sections of their local roads to keep them clean.
- Organised litter picks at set times in set locations.
- Having access to equipment (litter pickers, bin bags, etc) for ad hoc litter picks.

Let either Cllr Brown [marion@bestpath.co.uk](mailto:marion@bestpath.co.uk) or Cllr Jarvis [grahamjarvis@hotmail.com](mailto:grahamjarvis@hotmail.com) know if you want to help.

Assets of Community Value (ACV's): The council is keen to protect the assets we have within the parish even if they are not owned by us. One way of doing this is by applying for an asset of community value to be placed on specific property or land. This means that the property or land will be subject to additional protection from development. We are currently applying for certain woodlands to fall under this protection, we already have one approved and two more applied for.

Change in contact details: Please note that the email address for the parish council has changed. If you wish to contact us use [clerk@coltonparishcouncil.org.uk](mailto:clerk@coltonparishcouncil.org.uk)

Our next parish meeting is to be held on Monday 3<sup>rd</sup> December, 7pm at Rusland Reading Rooms. All are welcome to attend.

## CHURCH NEWS

*Dear Friends,*

*I am grateful to Eddie Askew for pointing out that in the British Museum in London they have stones for use with a sling as a weapon, which had been dug up in Israel by archaeologists. They are about the size of cricket balls- the stones that is, not the archaeologists. Apparently, thrown expertly with a sling they could travel at about 100 miles per hour. I imagine that must take a lot of practice.*

*Eddie Askew is reminded of the story of David and Goliath. You probably remember the story. Goliath is the baddy, a giant soldier stronger than anyone else. David is a shepherd boy, who with a sling and just such a stone, went out with great courage and faith in his God. Exit giant, hit on the head by the stone.*

*You may remember that when David first saw Goliath, David was up on a hillside and Goliath was in the valley below. You can imagine that from up there the giant did not look so big, but as David moved down and moved closer, the giant would have looked bigger and bigger and more and more threatening.*

*That is how our problems sometimes appear to us- the nearer they get, the bigger and heavier they feel, but they are really the same size as they always were. Sometimes it is very easy for us to get things out of proportion.*

*Somebody has imagined what David's reaction must have been when he saw the giant close up. His first thought was, 'He's big!', or words to that effect, but his next thought was, 'Good, that means I can't miss!'*

*Some of our problems are only as big as we make them and can be cut down to size with a bit of courage and the kind of faith in God that David had in the famous story.*

### CENTENARY ANNIVERSARY ARMISTICE DAY

100 years ago, on November 11th 1918, the armistice was signed to bring about the end of hostilities after those four dreadful years of the First World War.

The Roll of Honour listing the men of the village who gave their lives in both world wars of the 20th century is kept in All Saints Church in Satterthwaite.

At 6.00 p.m. on November 11th this year a Remembrance Service will be held here to commemorate all who gave their lives in conflicts. The names of the Satterthwaite dead will be read out and the last post sounded as the flag is lowered in their honour. All are welcome to attend on this special anniversary.

### THE LIFE OF CHRIST IN ART

An exploration of the story of Christ through the history of art is being held each Monday at 2pm at the Brathay Church Hall (next to the church). Each week there will be an opportunity to explore a Bible story through thinking and talking about Christian art. Each session will look at a single painting and will last about an hour. Anybody is very welcome to come, booking not needed. Mondays until 26<sup>th</sup> November.

For more information contact John Dixon- 015394 36301, [jjcedixon@btinternet.com](mailto:jjcedixon@btinternet.com).

### RUSLAND and DISTRICT WI

At the October meeting arrangements were discussed for our Annual Carol Evening, and ideas for motions for debate which might be forwarded for consideration to our national headquarters. Sixteen members had greatly enjoyed a visit to the Theatre by the Lake to see "Sense and Sensibility" and four teams have been entered in the Federation Fun Quiz to be held later in October. We were delighted to welcome Hilary Flowers to our meeting who gave a very moving talk about her personal heroes from the Second World War. She also presented each member with a charming bead circle which she had made. She was thanked by Margaret Williams.

The Annual Meeting to be held at Rusland Reading Room on Tuesday, 20th November at 7.30 p.m.
