## AUTUMN LEAVES

### RUSLAND VOICES

A Celebration of the Rusland Horizons Oral History Project

Wednesday 3<sup>rd</sup> October, Outback Hall, Backbarrow. Delve deeper into the past with us. Hear real stories and imagine the lives of people who have lived and worked in the Rusland area as far back as the early 20th century. A hot supper will be provided at 6.30 pm with the meeting starting at 7.30 pm. Light refreshments will be available; please feel free to bring your own alcohol. Please book via the website [www.ruslandhorizons.org](http://www.ruslandhorizons.org) (and go to What's On page), or ring the Rusland Horizons team

### OXEN PARK READING ROOMS

We have recently acquired a new table tennis table and are wondering if there is a group or village hall which would benefit from our spare 'old' one.

It is actually pretty smart – blue, solid, foldaway neatly and would come with good net, bats and balls. Please contact Carol or Gill in Oxen Park for more details.

### WINTER TRAVELLER'S TALES.

The first of our presentations in The Carthouse Cinema is on Friday October 5<sup>th</sup> 7.30. Clare Dyson will tell us about her month-long journey round The Lakes with horse and dog. All seats (£4) must be booked ahead with Carol (861507).

The November presentation (Friday 2<sup>nd</sup>) is the postponed 'Two Teddy Bears on A Tandem'. Ingrid Hobba (who was brought up in Oxen Park) with her daughter Kate and partner Sean cycled from the Arctic to Patagonia. A truly incredible adventure and for Kate, who was 8 at the time, a good way to miss school. Seats will go fast so book early.

2-3 more presentations are planned so look out for them in this newsletter.

### RAINFALL

August proved to be the wettest month of the year with 7.83", beating January by 4". September, up to 19th, has had a total of 4.95". Will it prove to be the wettest month of the year? There have been only 2 dry days in the month so far, so watch this space!

### HAWKSHEAD BOWLING CLUB.

After a successful season for the club.

The final trophies have headed for Crosslands Rusland

The Rothwell Trophy was won by David Robinson and the JC Wright trophy was won by Gordon Wilkinson. The Club have also won the Woodcock Trophy in the Kendal league.

Well done to all of the above!!

### LAST CHANCE TO WIN LDE100

If you would like to be in the pot for the draw to win 100 Lake District pounds, please make sure you complete the Rusland Horizons legacy survey on-line before 5<sup>th</sup> November. Just go to the Rusland Horizons website ([www.ruslandhorizons.org](http://www.ruslandhorizons.org)), scroll down to the bottom of the main page and click More articles. #### COLTON PARISH COUNCIL NEWS

[www.coltonparishcouncil.org.uk](http://www.coltonparishcouncil.org.uk)

**Lengthsman:** Archie has been working around Rusland strimming, clearing drain covers and cutting back brambles. He has also been busy at Tottlebank removing the small trees and bushes that have started to grow at the side of the road. As usual if anyone has any requests for work for Archie or spots an issue with the verges and drains then do let the Clerk know. Specific highways issues still need to be reported on Cumbria County Councils Highways website.

**Councillors meet with Tim Farron MP:** Cllr Brown and Cllr Jarvis have recently met with Tim Farron MP our local member of parliament. They were able to discuss amongst other items the recent LDNPA Local Plan review and issues regarding housing for local people within our parish.

**Bouth Village Green:** The hot weather (which seems so long ago now) got the better of the playground on Bouth Village Green. The heat lifted some of the safety matting around the children's play equipment. This could have been a costly repair, but thanks to the work of 3 generous committee volunteers the repair costs have been kept to materials only. A big thank you goes to David, Paul & John.

**Planning applications:** Anyone who wishes to check on planning applications can do so on the LDNPA planning portal ([www.lakedistrict.gov.uk/planning](http://www.lakedistrict.gov.uk/planning)). Applications can then be searched by parish and date.

**Septic Tank Regulations:** For those of you on septic tanks you may or may not be aware that there are new regulations coming into force in 2020 regarding the discharge of septic tanks into watercourses due to the associated pollution that is being caused. There is lots of information online to guide you through the changes. Our next parish meeting is to be held on Monday 15<sup>th</sup> October, 7pm at Bouth Village Hall. All welcome.

#### OXEN PARK CINEMA CLUB

The new season started with 2 full houses and a second show of *The Post*. Booking in to a film you want to see is strongly advised. We are already full for *Edie* on 17<sup>th</sup> November and will show it again on Sunday 19<sup>th</sup> so book soon if you want to see it.

The October films are *The Breadwinner* on Tuesday 2<sup>nd</sup> October and *Three Billboards Outside Ebbing Missouri* on Saturday 20<sup>th</sup> – this is a supper special so booking essential. Both these films are award winning and 'must see' in my opinion.

If you haven't received the full programme of films then let us know and one will be delivered.

#### TIME TO COUGH UP!

Terry Peet, after completing the Great North Run, writes "This old geezer did it in 2:32:04. I have raised approximately £1200 so far from my supporters. Didn't beat Sir Mo as I started 50000 places behind him - bit unfair isn't it?"

Please help me raise money for PROSTATE CANCER UK. Visit my Just Giving page (Terry Peet) or Facebook page"- Well done Terry, from us all. Ed.

## CHURCH NEWS

Dear Friends,

*This is an exciting month for the Church to look to the future. If you visited Hawkshead over the summer, you will probably have noticed that the church tower was encased in scaffolding and a major building job was underway. And now, after considerable effort, expense, and inconvenience, the repair to Hawkshead church tower has been completed, and very fine it looks too, the tower having been reroofed and repointed. For most of us, it is lovely that the bells can ring out once again.*

*Church buildings remind us of something infinite and beyond time and space, something that I choose to call God. The tower, visible from miles away, was built by our ancestors to remind us that there is more to life than sometimes meets the eye. By reaching upwards it is a symbol of the timeless depth of existence. But our earthly symbols of the infinite are finite by nature and sometimes need considerable work to ensure that they are there for future generations!*

*Of course the Church is not really the building, though; the Church is the people. And we need to ensure that our future doesn't just have buildings, it has people as well. So just as the building needs a bit of looking after to make it fit for future generations, so does the structure of how we organise ourselves. In the future there will be more emphasis on working together with other churches in what we are calling a 'Mission Community'. Where things are working well, we won't need to change, but there will be scope for churches to do more because working in a Mission Community means that people get a chance to work with others on what they are interested in. All this is launched at a service at St Mary's, Ambleside at 11am on 7<sup>th</sup> October, to which anybody is invited.*

### HELP FROM CITIZENS' ADVICE

**Q.** *A family has moved in to the house next door and is being a nuisance, yelling late at night over a loud television and leaving bin bags strewn over the front of the house. I don't want to antagonise them in case they become threatening. What can I do?*

**A.** It's best to try to resolve problems by speaking with your neighbour, if it's safe to do so. Explain the effect their behaviour is having and ask them to stop. If the problem continues, keep a record of incidents and any factual evidence.

If you're a council or housing association tenant, they may have a mediator you can use. If your neighbour is a social housing tenant, their landlord should deal with antisocial behaviour. If there is a commercial landlord, try asking them to help. Otherwise, visit your council website for information on dealing with statutory nuisance issues and make your complaints factual with evidence.

If you've tried everything but the problem persists, you can ask for an ASB Case Review, or 'Community Trigger'. There is information on the South Lakeland District Council website on how to action this. If your neighbour becomes threatening or violent, you should tell the police.

*Free, confidential advice and help is available from South Lakes Citizens Advice on any aspect of debt, consumer problems, benefits, housing, employment or any other problems. Tel: 015394 446464*
